TEAM FOULS (Vertical list on the left)

TIME OUTS (Bottom section)

Foul Shots Awarded	Shot	Successful
1 Bonus shot	1st shot	
2 or 3 Free throws	1st Shot	
	2nd Shot	
	3rd Shot	

FOULS

- Fouls are recorded in two places;
- In the player’s personal foul section
 - In the team’s fouls for that half. Team fouls tally resets at each half

The referees must be notified immediately when a team reaches 9 team fouls in a half

The referees must be notified immediately and the player must leave the game if they receive 5 personal fouls

NOTE: Alert the coach when a player reaches 4 fouls

POSSESSION ARROW

Starting the game:

- A jump ball starts the game and the arrow should be pointing straight up
- Once a team has possession of the ball, point the arrow in the opposite direction

Jump ball situations during the game

- The arrow will determine which team is given possession of the ball
- Scorers should wait until the ball is live and then change the direction of the arrow

NOTE: The direction of the arrow is NOT changed at the end of the first half

SCOREBENCH ROLES & RESPONSIBILITY

- Each team must provide a person to score
- Responsibility includes: completing the scoresheet, operating the scoreboard; and alternating the possession arrow
- Both scorers should ensure the scoreboard and scoresheet reflect the same result
- Scorers should remain at the score bench at half time and after the game to assist referees in checking the scoresheet

SCORES

- Scores are recorded in two places;
- Personal scores against the player who scored
 - Running score for each team

Personal scores are recorded in two separate sections for each half of the game, the running score for each team is kept for the entire game

PERSONAL SCORES

Use the following symbols when recording personal scores

- 2 - Two point field goal
- 3 - Three point field goal
- - Draw a box for foul shots
- - Draw a circle for a bonus shot
